(Please mention name of the post applied under subject of the e-mail for the application.)

About the Organisation: Bodh Shiksha Samiti is a Non-Governmental Organization (NGO) working in the field of education since 1987. The organization strives to contribute towards ensuring equitable & quality education for all children, irrespective of their socio-economic backgrounds. Bodh also works closely with the state governments to strengthen the public education system so that the quality of education provided in the govt. schools improves and becomes what the national curriculum aims to achieve.

About the Role: The aim of the Barmer Education project is to improve the learning & education of children in 60 schools of Barmer district. **The Subject Experts** will be responsible for the quality aspects of their subjects. They will ensure that the curriculum of each subject is appropriate, Teaching and Learning Materials are updated to the needs of the project deliverables and the teaching staff in the schools are supported in improving the quality of teaching.

Main Responsibilities:

- Responsible for the execution of project deliverables according to agreed work plans.
- Lead on the academic activities of their respective subjects from grade I to XII including creation of content (teaching learning materials- videos/workbooks/teachers guidebooks) of their subject with the close association with Bodh's central ERC Unit.
- Capacity building of the teaching staff at the schools and project team on academic aspects & pedagogy (Government teachers, School Principals, Remedial teachers) keeping in mind to work from Grade I to Grade XII.
- Visits to schools in the project are the integral part of the profile and ensure that the teaching activities at the schools are properly planned and regular feedback is taken from students, teachers and other colleagues at the school.

Qualification and experience:

- Master's degree or higher qualification in the subject.
- At least 5-7 years of work experience of a similar role.
- Experience of working on e-learning & teaching methods would be an advantage.

Age: 40 Years

Interested candidates may send their CV with a cover letter to hr@bodh.org. Only shortlisted candidates will be contacted for further process.
